

# I Hop Out Of The Chair

I hop out of the chair, I'm pounding on the desk,  
hey, guys, I need a break, enough, I do protest!  
It buzzes and moans, don't you see I'm crashing soon?  
Have a care, I will burst like a big balloon!

I'm stamping with my feet, I'm storming out the door,  
hey, guys, my head is full, I'm falling on the floor.  
I'm jiggling and trembling, you know, what I mean,  
have a care, I'll blow up like a steam engine!
